

Jamie Anderson

“Politically astute, sexy and fun.” – Curve

SHE'S TOURED FOR OVER TWENTY YEARS, played in over a thousand venues and released eight recordings. Help singer-songwriter Jamie Anderson release *album number nine*. New and groovy songs will abound, all recorded with a host of talented acoustic musicians including multi-instrumentalist Kara Barnard.

Why? 'Cause supporting the arts is fun and this album will cost over \$10,000. Peanuts if you're Sony. A lot of money if you're an independent songwriter.

How? Use PayPal and donate at <http://jamieanderson.com/donatealbum.html> Or fill out this form, give it to us at a concert or mail it with your check to the address below.
